

Organisation Chart Current

Classification: Internal

Revision: 2.0

Author: Management Office

Current Organisation Structure

This document represents the currently approved organisational structure following the restructuring process.

Current Departments

Area	Responsible	Status
Management	Sarah K.	Active
Finance	Daniel P.	Active
Human Resources	Laura L.	Active
Facilities	Oliver M.	Active
IT	James R.	Active
Operations	Unassigned	Under Review

Structural Changes

- Operations responsibilities redistributed.
- Previous coordination role removed from active structure.
- Project documentation transferred to departments.
- Historical records retained.

Management Comment

The removal of the Operations coordination position reflects the current organisational model. Historical documents should continue to reference previous structures when required.

Approval Information

Approved by Management Office. Supporting documentation stored in the archive section.
