

Management Meeting 04

Classification: Internal

Revision: 1.0

Author: Administration

Operational Review

Facilities completed the inventory of cabinets A through F. Cabinet G remains locked pending authorisation.

No explanation was recorded regarding why cabinet G was excluded from previous inventories.

Follow-up

- Request archive access.
- Update inventory map.
- Review retained documents.
- Confirm document access log.

The meeting concluded after confirming that the cabinet would remain sealed until the archive review was complete.
