

Organisation Chart Old

Classification: Internal

Revision: 1.0

Author: Management Office

Organisation Structure - Previous Version

This document represents the approved organisational structure before the latest internal restructuring process.

The chart was maintained by the Management Office and used as a reference for reporting lines, department responsibilities and internal approvals.

Executive Structure

Area	Responsible	Reports To
Management	Sarah K.	Executive Office
Finance	Daniel P.	Management
Human Resources	Laura L.	Management
Facilities	Oliver M.	Management
IT	James R.	Management
Operations	M. R.	Management

Department Responsibilities

- Finance manages budgets, forecasts and financial approvals.
- Human Resources maintains employee records and documentation.
- Facilities manages office operations and physical archives.
- IT manages systems and technical infrastructure.
- Operations coordinates cross-department projects.

Historical Note

The Operations coordination role was considered essential during several internal projects and was included in all previous organisational references.
